

Isabelle Webster

November 2, 2014

Webster, Isabelle age 94, passed away on Nov. 2, All Souls Day, due to complications from a stroke. Known for her fierce independence, Isabelle was a fighter from birth. Born Dec. 10, 1919, Isabelle was only 2.5 pounds. Her first crib was a shoebox kept near the stove as a makeshift incubator. Living was Isabelle's first act of stubbornness. She worked for Dayton's for 50 years, ruling Accessories and Lingerie with an iron fist. When she retired Isabelle turned her attention to volunteering at St. Thomas the Apostle, becoming known as "The Funeral Lady". Greiving families were fed and fed and fed with the help of her tireless efficiency. For Isabelle, feeding people was equal parts love and strategy. Family dinners were planned with military precision and troops were never allowed to surrender. Thankfully for her family, Isabelle was an excellent cook and loved making everyone's favorite dishes. And sometimes a little extra "for leftovers". Isabelle is preceded in death by her husband, Clayton and her son-in-law, Bill. She is survived by her children, Judy and Tom (Joanne); her grandchildren, Erika (Michael), Jidana and Carrie; and her great-grandchildren, Clair and Paige; as well as her extended family and many friends. Mass of Christian Burial at 11 AM on Thursday, Nov. 6, 2014 at St. Thomas the Apostle, 2914 West 44th St., Mpls., with a visitation one hour prior at the church. “ *Saddened by the loss of a mentor and, more importantly, a friend. Izzy was my head of stock in the 1960's and taught me so much in our time together. As I moved to other jobs she remained a confidant and dear friend. I grew up at 49th & Thomas so her neighborhood was like home on my visits. My thoughts and prayers are with each of you. Know that, like me you have so many memories.*
