“ *We knew Ivagean through her devoted daughter Trudy. But in that, we knew her spirit was strong and loving even as her physical condition worsened. I know she was a loving and strong person because I've known Trudy for almost 20 years and she is a pillar of everything a daughter could be. There was true devotion between them, and I consider it a privilege to have been witness to that over the past several years. May she rest in peace, and may you, Trudy, know that you were her angel when she needed one.
Bob and Denise Landis, Trudy's employer.*

“ *Had a wonderful Thanksgiving with her and Trudy a few years ago. What a great time we all had. Several dinners out on the town and great conversations. Iva and my mother met each other and hit it off right away. Hope they get to have dinner together again in Gods House this time. She will forever be in our hearts! The Most Family!*
