“ *Extending my deepest sympathy to the family.*

In 1975 we were new home owners in Waconia, Mn. We had an older home and seemed we were always needing some thing from the hardware store, that is where we met Pat and Joanne Over time we did not feel like customers, but family. Always met with a smile and their customer service was absolutely the best! I am sure you can share many memories from those days. God bless you ,please remember those special memories are the threads that will give you strength on your most difficult days.
