“ Love you, Dad. Thanks for being such a strong male role model for me. You were my protector. I'm glad I could be your fishing partner so many times. You taught me the importance of accepting responsibility and commitment.

“ Gayle, Love you very much and so sad for your loss.. You were lucky to have such a caring and generous man. He was always full of jokes and stories . He was an amazing musician , always asking how my piano was doing. He will be missed. In the days ahead, remember his big laugh and the twinkle in his eye when he told his stories. I wish I had know him when he was younger...I'm sure he was a handsome fireball! We are both blessed to have loved great men.
