“ Was sad to hear of Jack's passing and my condolences go out to the Garcia family. Although our paths have drifted apart since our time in Gibbon,NE, I still consider Jack as one of my best friends. We had some pretty good times back in the day. Will never forget the time we rode a train from Omaha to Detroit to look for work. Jack was a good friend and will be missed greatly.

“ Jack and I worked together for over 10 years. We had some wonderful times together. He sat at the same cafeteria table every day. Had 3 meals a day during his shift. It's hard for me to walk by "Jack's Table", and to see someone else sitting there.

I will miss you so much Jack.
