“ *My condolences to all of Jack's family. Jack was my Dale Carnegie instructor over 30 years ago in Mankato. I have often thought of how fortunate I was to have such a great instructor for the course that changed my life. I never had the opportunity to meet Jack since that course but he has been and will remain in my thoughts and prayers*

“ *Dear Jennifer and family,  
I was saddened to hear this news. I remember meeting your dad at your wedding (and probably at an ND game while at Saint Mary's - but that was long ago). I know your dad meant so much to you and your whole family. What a wonderful life he had and a great legacy left behind. Jen - you and your mom and all your family are especially in our prayers this week. God Bless you all. I'll have my dad introduce himself to yours in Heaven. Love, Aimee*
