“ To Our Dear Friend Kelsey and Family,

*No matter what is going on in our lives, God knows exactly what we need and when. I pray you feel the love and comfort of God, family and friends surrounding you today and the days to come. May He fill your hearts and minds with hope and peace that surpasses all understanding.*

*Papa was an amazing, talented, wonderful man and it's clear to me how much he was loved and how much he loved his family and life! Papa will never be forgotten...his memory will live on in your hearts forever...*

*Perhaps they are not really stars in the sky but rather openings where our loved ones shine down to let us know they are happy and at Peace in God's Loving Arms.*

*Sending our sincere sympathies, prayers and love to you all...*

*From Paula, Roxy and Duchess*
