

## Jack Lee Vold

February 4, 1937 - November 20, 2025

Jack Vold left us to join his beloved family and dear friends on November 20, 2025. Always an athlete, Jack played basketball, tennis and baseball at Windom and collegiate basketball and tennis at Macalester College. His love of sports made coaching basketball at Hopkins the highlight of his professional career which also included teaching math at Hopkins South and West Junior High Schools for 34 years.

During summers and in retirement, Jack played golf, tennis, Bump and cards with friends, both in Minnesota and at Timber Pines in Florida, where he and his beloved wife of 58 years, Shirley, spent 16 winters. Jack was a devoted father and grandfather to his son Kevin and Kevin's family: wife, Tara, and daughters, Julia and Courtney. Jack enjoyed time spent with them in the pool, playing card games, and watching the Vikings, Twins and Wolves.

At their home of 52 years near Shady Oak Lake, Jack spent countless hours on evening strolls, talking and laughing with friends. He was never without a Coke for his pals or a treat for neighborhood dogs. After leaving their home, Jack and Shirley moved to the Zvago-Glen Lake community in 2019, where they resided together until his passing.

A celebration of Jack's life will be held in the spring of 2026.

In lieu of flowers or memorials, the family asks that you please consider a donation to your local food bank this holiday season.
