“ *There's so many memories I could share about Jacob. Jake was amazing and big hearted person. He touched so many people. Jake loved people and having fun. His smile could light up a room or make someone's day. There no explanation why this happen to him. My heart go's out to my brother Bill and family and may God get us through this. Jacob you will always be loved and never forgotten nephew🥹*

“ *So many memories to share. He wanted to marry Belle and rode bikes with my kids and my kids were at his house or vice versa as my oldest daughter was dating his brother Shawn. The Anderson's were the first family we became friends with when we came to town. Our kids fished together, swam, played, and grew up together. Jacob was such a kind kid, he always made himself available if I needed help moving something. He had a heart of gold and a sensitive side for those he loved. Instead of getting obsessed with sports, cars, or fishing he got into a bad crowd and it killed him. I will forever be haunted knowing he was hurting and maybe too ashamed to ask for help. Our world will never be the same without his goofy smile.*

“ *I'm so sorry for your loss. I'll always have the memory of sitting right behind him in English class when I was helping my students. He might have always forgotten a pencil but knew I had one to share. I will miss his wave and smile as he always had one while passing by. My thoughts and prayers to all of you during this difficult time.*
