“ *I have so many wonderful memories of the times my best friend, Jackie and I spent together. Our friendship has lasted over 50 + years. Jackie enjoyed life... from exercising, to biking, walking, hiking, to going to concerts and plays, to traveling, to just hanging out at the beach, we did it all. And we made sure we always found time to shop and eat at good restaurants. Jackie was like a sister, My family adopted her a long time ago. I will miss her beautiful smile, her funny laugh, her companionship, and her positive energy. Love you always, Marzella*
