

## Jackie

February 11, 1933 - February 5, 2022

Jackie Erickson

Jacqueline D. (Barstow) Erickson, age 88, passed away peacefully, February 5, 2022, due to complications from a fall. She has gone to be with the love of her life, Bill (Wilfred J. Erickson) who preceded her in death in 2018.

Jackie was born to Jeanette and Arthur Barstow in Minneapolis, MN. Her early education was through the Catholic School System and she attended Marshall High School. Jackie worked various jobs throughout her lifetime. The one she spoke of frequently and really loved was, MSP Airport Security, we heard many stories about the years she worked there.

Jackie was a loving, caring, supportive person who treasured her family and friends. She would always lend an ear to our woes and problems, or our successes and joys, in life. She gave good advice when needed and was very supportive in our life's decisions and will be missed by those who knew her.

Jackie was small but mighty and very feisty! She had an enormous love of life and living. She enjoyed traveling and LOVED TO SHOP! She had an insatiable taste for all things chocolate and sweets and would not go a day without her coffee!

Jackie was preceded in death by her parents, husband and 4 children, Michael Basel, Linda Zallar, Roberta Petersen and Richard Petersen. She leaves behind her daughters, Cindy Rodine (Dave) and Pamela Lawrence (Terry), son, Timothy Erickson (Karen), 12 grandchildren and 28 great grandchildren, her sister, Judy Marschall (Don) and many nieces, nephews and friends.

“ *And, there are so many memories. For us, Jackie was half of a whole and Bill was the other half. They were better together. We knew them both for years and our relationship began when our hubbies were colleagues. We almost became business partners, but God had a different plan. Some of our paths crossed in other parts of the country and we even saved each others' sanity when we shared time together in New York/New Jersey where we couldn't wait to leave.*

*She and Bill were the welcoming committee when we came to Arizona, and more than that. They showed us their favorite places here - restaurants and entertainment and the beauty of the desert. We were so glad to have the chance to share times together. Jackie was the sweetest friend who always, always had time to listen. And, she had great stories to share and remembered so many details.*

*I know Jackie is at peace and enjoying the gardens in Heaven with Bill. I hope there's a little shady spot where she can sit and paint a bit too.*

*“ I have known Jackie since she was about 16 or so. She was a year ahead of me in school and lived downstairs from my future husband. A LONG time ago. We lost touch a few times over the years but always reconnected. She was a great lady and a great friend. I miss our long phone calls. We are both talkers so we could go on for hours. Irreplaceable and she is dearly missed. Marie Platt*
