“ Dear Loved ones of Mrs. Fish,

Mrs.Fish was my second grade teacher at Hopkins Westview Elementary back in the 60's. She wore the prettiest dresses to match her beautiful smile. I loved going to school that year. Even though she did say on my report card that I was a bit too chatty. I loved school so much that I became a physical education teacher. I was able to teach and retire from Hopkins as well. My prayers are with you all. Mrs. Fish was the best.
