“*Mary - I will always cherish my fortune to have met Jamaica at the Saints baseball game last summer. What a beautiful women, and so gracious to all of us, as you proudly introduced her to Mom's friends from work. I'm going to keep this fond memory dear to my heart. I can't even imagine the pain of your sorrow right now, but my prayer for you is as time goes on all the fond memories of Jamaica will give you solace. For you and for all others who loved her so deeply she will never really be gone, she will forever live in your hearts. Mary, please take care of yourself and never hesitate to call on friends and colleagues in the coming months. With my deepest sympathy -
