“ *Glenna and Family. So sorry to hear of Jim's passing. I have thought about the two of you so many times over the years. Remember the spaghetti dinners we had at your home in Wheaton? Now we have memories. Don, too, has passed away- two years ago Sept. 18th. Would love to hear from you sometime. I am still in Alexandria, but have now moved into a senior living complex and it is working out fine. Contact me at cbluhm2@yahoo.com sometime if you would like to visit and renew friendships.*

God blessings to you and your family. Stay strong. Prayers are with you.
