“*Graeme and I are very sorry about your loss. We just went through it last year and it is hard. It helps to talk about him and all the good times and good coversations. I know he had a lot of obstacles in his life that has challenged him. Know he is at peace now. I know you have a strong faith which will help you. For Graeme knowing how strong his parents faith was helped him a lot. Love and many hugs to you and your family.*”
