“ Pat and family, as you mourn the loss of your husband, dad and grandpa, please know of my prayers for you. I will always treasure the talks, jokes and smiles Doug and I had over the years. There are so many that I don't know which one to tell of. Most of all was his waving to me as I walked by the house and saying "come on in". So very kind and generous he was. Doug has a special place in my heart now and always.

Love always,

Pam
