“ I missed my grandfather James Edward Christopher. You were the only grandfather that I knew. You were like a father to me more than my grandfather. You taught me work, ethics. Then you were always overprotective when it came to me dating. But it did feel like when you met my now husband right before you passed away, I knew you approved of him. In a lot of ways, my husband Foster, was like, you. You are always a very caring person for all your grandchildren. I know you are there waiting for the resurrection to go to heaven. I think about you and Ma every day. Continue to rest in peace. I love you. Dana
