“ So sorry to hear about your Dad passing away. It is never easy losing a parent especially. I remember all the carports with our neighborhood. Great times. I know we were somewhere all of us, your Dad was out in the ball field, like center field. He was going backwards to catch the fly ball for the Big out. He kinda forgot about the chain link fence had the ball but went head over heels and was on the outside of the fence, tore his pants all apart. We all laughed after we knew he was OK of coarse. Our parents always had a great time together and my Mom and your Mom were great friends. Alot of memories and laughter with those two. Remember the Halloween parties the neighborhood had at Rachel others houses. The Fox, Lyman, Stromgren,Lehn, Rike, Gacke, Emery, Rutten,Rosa,Durand Family's. I remember one year Marv Stromgren shaved his legs and dressed up as a woman. They all liked to have a good time and spent alot of hours with all of us kids, in Boy Scouts and weekend carports. Your Dad was a great man and I am sure he will be missed by so many people. You and your Family will be in my Thouhts and Prayers. Remember stories like this one, all the great times, the laughter and the memories. RIP Mr. FOX. You were a great friend and neighbor to my Dad. I hope that there are some campfires up there and you all remember some of those songs from the "famous song book" that every one of us had. Perhaps they are all there together Sippin Cider, going on a Bear Hunt or singing Bill Grogans Goat...
