“ *It's really hard to say goodbye to Jim who has been like a blood brother to me. We first met in 1946 or 47, lived next to each other and played football at Edison H.S. and Augsburg College next to each other. We were the best man at each other's weddings, have birthdays 4 days apart, plus many other things side by side. God has now called you home, Jim! You are with him starting a new life. To Jo Anne, you are in our prayers.*
