“ *My deepest sympathy to you Judy and your family. Knowing you and Jim since the inception of the Lions back in 2017, I found Jim to be a hard working dedicated individual who took a lot of pride to be a Lion. I have also known him to be a good friend who I enjoyed golfing with this past summer. My prayers are with you.*

“ *Myself and the entire Bridge Realty family offer our deepest condolences to you and your family. I didn't get to know Jim as well as I would have liked, what I can tell you is that when he left the office I was so excited to have him aboard and I felt like I knew you Judy and his children. He told me all about you all and the Lions Club! He went on and on about Judy his wife! Although brief he made a lasting impression here at Bridge Realty. Please reach out if you need anything at all! Again, we are so sorry for your loss.* ”

“ Dear Judy and family: What a shock to receive your email. We remember Jim with fond memories. Jim showed everyone what being a Lion mean. We enjoyed getting to know him better as a Partner in Service and Lion. You have our deepest sympathy.

“ Judy I am shocked to hear of Jim's passing and I am heartbroken for you and your family. It has to be devastating to lose your life companion and for your kids and grandkids to lose their dad and granddad when he was so young. And so full of energy and life. I expect you are still too shocked to find comfort in memories of the life you shared with Jim, but I trust you will soon be able to find that comfort. Please take very good care of yourself.

“ *With heavy hearts we offer our deepest condolences, we've only known Lion Jim for a short time but within in that time we came to know a welcoming new friend and a cheerful eager helper always there to assist.
