“ Uncle Jim was a beloved character as I was growing up. He helped save my life when I was 14. He drove me to the hospital in Brainerd - not knowing what was wrong. He just knew I needed immediate medical attention. He was my dad’s best friend. I hope they are together now. Rest in peace forever Uncle Jim.

“ I remember Uncle Jim carrying me to the car one Christmas Eve. We were all singing “He’s got the Whole World in His Hands. “. He is now in those hands! Rest in peace.
