“ *We live at Gramercy for years. Jim took a big interest in caring for our building and the people. He was always so kind to everyone. We miss him here. So sorry that there will not be people coming to his funeral from here, but many people are sick with Covid and others are fearful about being in big groups. I know he is in Heaven now with Kim. “ *My condolences to Wendy, Stephen, Barb and families. My earliest memory of Jim, was at the cabin. He went frog hunting with me and then proceeded to show me how to dissect it. He was always teaching. Lots of fond memories with your family at the cabin.
