“ I knew your dad when he volunteered at Hennepin County Probation. One of the pleasures of that time was working with and getting to know Jim. He was an exceptional volunteer. He'd come in once or twice a week-always in a sport coat-work diligently and stay until all of his work was done. But, more importantly, at least for me, was getting to know your dad-hearing about his life, and talking about anything and everything. After he quit volunteering in our office, he stopped by once or twice just to say hello, but, as so often happens, we fell out of touch. I am happy to have known your father and I am sorry for your loss.

“ Hi Janet and Geri, I'm so sorry to hear that your dad passed away. Both your parents were wonderful, kind people. I can still see your dad's cheerful smile. I have such treasured memories of our days on Morgan Avenue, and your parents were a nice part of it! My sincere sympathies go out to you and your families. Kris & Dave St. Aubin (Andreasen)

“ We are sorry to read of Jim's death. He wrote such nice notes to me and kept up with my health after my surgery last spring. We remember the nice visit we had when you brought him to the Cambridge "farm" last July and all the joy he shared with my parents over the years. May he rest in peace. Carole (Swanson) Lloyd

“ Janet and Geri, I am so sorry to read that your father has passed away. My father got a wonderful Christmas card from him and we were just speaking of your Dad the other day. We wanted to get Ivar and Jim together. We did see him last summer at a picnic outside at the York Gardens where my Dad is. Your Dad was very sharply dressed and we had a very nice visit. We all grew up on such a wonderful block, your parents were just like an aunt and uncle to us. Everyone looked out for everyone else's kids. We were lucky to live and grow in such a wonderful time and place. The Lord has called another member of the "Greatest Generation". Bless you and your families, take care. Love, Todd, Cindy and Shannon Awes
