“ To Jim and his family.

*It's hard to find the words to begin... Our family's go back a good 20yrs, much of the time was spent camping and traveling together. Our thoughts and memory's are overflowing. At times it feels as if our hearts will never mend, we know this because your memory won't let us forget... Jim our FRIEND you will forever live within our hearts!!*

*GOD SAW YOU..*

*God saw you getting tired,  
When a cure was not to be.  
So he wrapped his arms around you, and whispered, "come to me".  
You didn't deserve what you went through, So he gave you rest.  
God's garden must be beautiful, He only takes the best  
and when I saw you sleeping, so peaceful and free from pain  
I could not wish you back  
to suffer that again.  
By unknown.*
