“ I worked with Jim for many years at the Columbia Heights Police Department. He always greeted everyone with cheerful hello and then he would tell you to F off. I remember once he brought liquor filled candy into the station. Which he passed out to all of us on patrol. Not telling us it had liquor in it. I spent the rest of the day smelling like booze while I was on duty. He laughed and laughed. I'll miss him great guy. Ted Fischer CHPD

“ When I think of Jim, I always think of the phrase "the strong, silent type". So maybe it isn't surprising that I'm struggling to use words to express the impact Jim had on me or how I feel today. I am enjoying many fun memories of hanging out at the Montagues, Jim's hetseeya! sneeze, that great quiet laugh he had, and the way he could wrestle teenage boys into submission with a strong grip on their knee. But I feel like there's so much more I just "absorbed" about being a man, a father, a husband, and a servant of Christ from him. Jim is a great man and I'm the better off for the time I spent with him.

*Although I obviously have hung out with some of you more than others, you each are so special to me. All my love to the whole family!*

“ *Jim was the first of many brothers that I found when searching for my family. Jim and Eileen accepted me into his family as if we had always known each other. For that and his love I will forever call him Brother.*
