“ *Mrs. Mylander - My name is Mary Ahrenholz and my husband and I often had Jim take us to the airport from UBB. He would share with us about this treatments and how things were going and he was always so positive! And he would talk about your daughter often and how proud of her he was. We know that Jim is in the arms of Jesus - fully healed now and even tho we can take comfort in that we are so sorry for your loss. You are in our prayers!*

“ *Natalie and Emily,  
We are so sorry for your loss but you can take comfort in knowing that he is no longer in pain and he is in heaven having a long conversation with Jesus. One memory I have of Jim, that is my favorite, is on Jackie's open house and Jackie left her cell phone unattended. Well, Jim took a dorky photo and every time the phone rang Jim appeared.  
We are forever grateful for all the hard work Jim did with the kids and youth group.*
