“ There are so few people who come into this world with a smile such as Jim's! With his fathers great humor and mothers sensibility, and his own unique "rascallian" (new word I made up for him) ways ...he touched so many of our lives and brought such JOY! We all are better people for having had known him, however too brief. Condolences to the family -your husband, dad, son, brother, nephew was adored by many!
