“ Dad,

You are and always will be, my best friend. Please know how much everyone loved you, and I feel comfort in the fact that we have no regrets. We lived life to the fullest, and made the most of our time together. You will be sadly missed, but the memories I have will be forever seared in my mind. There will never pass a day that I won't think of you. You were a great man, and I hope I can live out my life with the standard you set. You are my hero...

You'll be missed greatly in the fishing boat and duck blind.

Your best hunting and fishing buddy.

“ I had the opportunity to work very closely with Jim Olson in his role as Sr. VP Development Asia-Pacific. I had immense regard for him as a colleague, who was very hard working and was ever ready to guide and assist me in achieving our common goal of developing the Carlson brands in Asia.

Over the past twelve years of our association, Jim and Jacque took on the role of family to our children, who had no other family in the USA. Out of our business association grew mutual love and respect for each other. Jim was a dear friend who had the capacity and purpose of bringing pleasure and joy to others. He had the natural seeds of compassion, adaptation and understanding that had a real impact on his relationships with all owners and executives in our region.

Jim led a contented life and was satisfied with whatever came his way. He was recently moved as VP development (full Service) Carlson Hotels in America. Although in his new role, our contact had reduced, it is not until he left for his heavenly abode, that we realized how close we had been.

We will always cherish his memory with affection and love.

“ I was a child hood friend of Steve Olson, Jacque and Jim's son. I had such fun at their home and with their family. Jacque is the sweetest, kindest and most gentle person I know, as was Jim. I have always thought very much of their loving family. Death is very hard and painful when we must give up one of our own. Have comfort knowing that Jim is with loved ones and he is not alone. The Olson family will be special in my heart forever. You are all in our prayers. Love, Jenny and Greg Carlson and Jim and Judy Layer.

“ *Dear Jacque and family,
Dennis and I offer our thoughts and prayers to you at this time. We both have wonderful memories of being with Jim and you at Radisson functions. Also, the thoughtfulness you showed us when we returned to live in Edina and especially the support you gave us when our son, Pat died. We wish we could be with you now to do the same for you. In time loving memories of your life with Jim will be sealed in your heart to hold forever.*

“ *Jacque and Family,*

Joanne and I were shocked and saddened when Jim Grose told us what happened to Jim. Life goes by so fast and we forget to stop and renew friendships. We so enjoyed seeing and talking with you and Jim at Jack's 60th birthday party on the St. Croix.

I remember when Jim started with Radisson at the Radisson South. I had just left there and was assigned to the Radisson Downtown. Bill Rudin, our old boss, hired Jim out of the Hilton in Chicago and this brought the two of you back to Minneapolis. Bill was telling me the story of how he obtained a comp room from an old Hilton friend and then turned around and hired one of the Hilton sales staff, Jim. It brought a laugh. Jim will always be remembered by us as a true gentleman who always had good things to say about people and a great engaging smile. Your faith will guide you through this time of sadness.

“ I worked with Jim Olson and his good friend Peter Blyth in the Radisson Development Division for two years. After Peter retired, I began seeking other opprotunities within Carlson. Jim encouraged me and provided me with the internal reference I needed. He was truly a gentlemen and I admired his love of his wife and children. I will miss his laugh.
