“ I grew up with Jim, we went to school together. I remember him always being so outgoing looking for adventure. He was real, someone that always was sincere and cared. Great friend and immensely saddened to hear of his passing. May the adventure live on Jim.

“ Jim was the most natural leader I ever saw. He was a tremendous senior patrol leader when given his chance. It is so sad to hear of his passing at such a young age, but I am glad to have worked with him when I did.
