“ *The Ranums lived next door to my grandma & grandpa in Thief River Falls, MN. Jim & I were classmates all thru elementary school and high school. Jim's mom was our den mother for cub scouts. My brother and I spent alot of time at my grandparents and there are many memories of playing with Jim as youngsters. We played Knights of the Round Table during the summer months in the swampy area across the RR tracks; we had football games in the back yard pretending we were the MN Gophers back in the 50's; and we had many road hockey games in the street in front of the houses during the winter. You were a good friend Jim. Thanks for all the good memories.*
