“ My heart goes out to you and all of your family! Duane and I, and our family have shared many beautiful and fun times with you and Jim and these will all be cherished memories. I loved getting random texts from Jim sharing a humorous or lovable pic of him with the dogs. I don't think he ever met a dog that didn't immediately take to him, or a dog that he didn't like. He was a very kind and loving husband to my best friend and I thank him for that. Cheryl, you deserved to experience a solid, kind and true love like what you shared with Jim. We will truly miss him, and we are here for you whatever you need. We love you!

“ Cheryl, words cannot express how deeply sorry Torrey and I are for your loss. Jim was one of the kindest people (including you!) that we have ever met and I enjoyed talking about old movies and cars with him. Our heartfelt thoughts are with you during this incredibly difficult time.
