“ Jim you are missed, the brother who Sandy has lots of child hood memories, we sure did watch each others back. One really stands out, you and Johnny painted Dad's car. Our summers on the farm, times at the lake cottage, you and John's many camping trips to Interstate park. As Uncle, you had the best late night snacks,the summers we all spent together when we would come home to Minnesota. Brother in law who had a lot in common with construction and etc. You are missed, Minnesota is not the same with you gone. You are in our hearts. Sandy, Bob, Marc and family and Dave and family.

“ Jim was a good man. I'm so glad we had that last get-together last winter. I have many fond memories of holidays in Northeast Minneapolis and on McClean in St. Paul. Also of ice skating in the backyard and playing on Mounds Boulevard. I remember it was Jim that got me to first try herring, which is actually one of my, "where were you when" moments.

We're so very sorry for your loss and want you to know you are in our thoughts and prayers. Love, Dan and Bonnie Stover
