“ Dear Kim, Traci, & Jayne, I was so sorry to hear of the loss of Jim. I have good memories of when we went to Edison, in our senior year; before he moved back to P.R. to graduate. Jerry, Jim, and I did a lot of things together, after Jim came out of the service. You are in my thoughts and prayers. May God send you His healing grace to help you in this time of loss.

“ *In loving memory of a wonderful person and neighbor. I have great memories that Jim gave me when growing up that I will have forever. The strength to tear a Mpls/St Paul phone book in half, collecting honey from the honey bees, clearing snow on the pond for ice skating, cows, and the value of hard work and money (raking the yard and collecting hay bales). You will be missed. Condolences to all his family and friends.*
