“ *Jana was an amazing young woman. I had the good fortune of working with her for several years while in the P&G Health Care business. She travelled with a group of us to India where we had so much fun, so many great memories, and great professional learning. (Frankfurt was also fantastic, but Jana was too much fun with all the many foods & spices of India.) Jana was so smart, so funny, so genuine - just a few weeks ago, I referred to her as the best researcher I've had the opportunity to work with. She will be greatly missed and always treasured.*
