“*Mrs Connors was such a special lady. My family grew up down the street on Country Club. I have many childhood memories of Mrs Connors taking us to craft fairs, listening to Mary get in trouble for her room being a mess, having hot dogs ( with the skin on) every Saturday for dinner, and watching Mrs Connors sew or paint with her glasses either hanging around her neck or sitting in the end of her nose. The entire Connors family will forever hold a special place in my heart!*

“*Mrs. Connors (I'm 56 and still could never call her Jane) was our next door neighbor growing up in Harper Woods. She was like a second mother to all of the kids watching out for us, worrying about us and keeping an eye on us. She had a lot of interests but her family was always first. She loved it when we would act up and get a little crazy and then she would shake her head and say "Such goings on". She will be missed by many.*
