Jane Bea Kelley

11 January 1950 - 13 August 2022

Gone far too soon, but never forgotten

Jane was a wife, mother, grandma, friend, teacher, leader to many. She touched the lives of everyone she met. Jane dedicated her entire life to helping people. She led a selfless life where she put everyone in front of herself. Her kids and her family meant the world to her and to her family, she meant the world to them. Jane lived life to the fullest and never stopped learning. Her infectious sense of humor brought smiles to all who surrounded her.

She leaves behind a husband, eight children, three grandchildren, four grandbunnies, one sister, three brothers, and a dog.

A private memorial will be held with immediate family only, as were Jane's wishes. In lieu of flowers a donation can be made in Jane's name:
