“ I am so sorry to hear about Jan. I met her in 1976 when she trained me in on her job in the Training Dept at Comten. A great gal!

“ I will always remember having a great time laughing with Jan at softball games. Between the chatting and laughing we did miss alot of the game! Our sympathies to you, Paul and to your girls. Karen (and Terry) Mcdonough

“ Please accept my heartfelt sympathy for your loss of Jan. We were childhood friends and spent alot of time together after their family moved to Waconia. Then after high school Jan, Char and I drove her brother Butch's little Volkswagon out to CA. We had so much fun! That's my favorite memory of Jan...she was always smiling, laughing and enjoying herself. Everyone loved her. I know your memories of her will help in the days ahead. My thoughts are with you all.

“ *A truly wonderful lady has left our midst. Jan was a very gracious
hostess, fun-loving and a great cook and homemaker.*

*When last we saw her it was to celebrate her big 65th birthday. It
was a surprise put on by her two daughters and it truly was a
surprise! Her spirits were so up and ever hopeful that the cancer
would stay at bay. Alas, such was not the case and we all lost a
dear, dear friend and family member.*

All our best to Paul, Megan and Molly.
