Janet met me here on January 13, 2017 for a special purpose. Mark and I were one week away from finishing our youngest daughter's new bedroom who was obsessed with Paris (still is.) Janet was in redecorating mode with her own place and wanted to repurpose her Paris decor. Our daughter squealed as I brought out box after box and picture after picture...and lastly the Eiffle tower. Oh my word. Janet your generosity made all our lives so beautiful and joyful. I will miss you and can't wait to see you again in heaven.

“ Words cannot express how sad I am for the loss of our dear friend Janet. We had so many great times together working at Lutheran Brotherhood and all these years since. I will miss our dinners together and am so sorry we didn't get to see each other for our planned gathering last Thursday with Rhonda & Bev. I will keep your last text on my phone always. You're in my heart! Love, Judy Kronstedt

“ I have fond memories of Janet from our days in BSF. Janet always had a bright smile on her face. She loved Jesus and I appreciated her knowledge of the Bible. She will be greatly missed, but she is dancing in Heaven. My prayers and thoughts are with Janet's family.

“ *I was so happy to see Janet at the Eagle Brook Church Spring Lake Park campus! I had fond memories of her from back in the BSF days! I am sad to hear that she has left us here on earth, but I know she is at home in heaven with our Lord and Savior! I am praying that the Lord wraps His loving arms around the family and comforts them at this difficult time!*

“ Krohn Family and Simon Family- I am so sorry to hear about Janet's passing. Whenever our Families were together we always had a wonderful time! I used to see Janet on the bus once in a while when I worked Downtown. It was always so nice to catch up with her! She was way too young! Sending Prayers, Love and Hugs to you all!

“ Janet and I were roommates for many years. One of the highlights of each of those years were the drop-ins or gatherings of our singles group friends after volleyball, or for birthday celebrations. We also had the best Christmas parties each year with lots and lots of our friends joining us for games and conversation. Janet was such a kind person, always helpful, and a great listener. I'm so saddened that she is no longer here, but rejoice that she is with the Lord and I will get to see her again. Thinking of all of you during this difficult time.

I sit here trying to write something. But I realize that there is no way I can express how much joy Janet gave to my life. She looked past my faults and loved me more than anyone else. Even my family. My life will never have the joy it had before. We used to text each other every day and now I find myself waiting on a text. Janet I love you. We had so much fun. I'd love to hear you call me the nickname you gave me just one more time. "Dork". Smile and Tears. Love Rodney
