Seeing this a year after Jan's passing... Thinking about her yesterday and a friend and I were talking about her today as she gave this friend a gift several years ago before she moved away. Jan was in our Divine Mercy Cenacle prayer/study group at Mary Mother of the Church Burnsville. She was always very positive and a faithful joyful member of our small group. She enjoyed being in the choir at our church too and had close friends in that group. I did connect with her over the phone a few years back and we had a good conversation.

We will miss you Jan.
