“ *A measure that is sometimes used is to look at the children and how they live and give the parent accolades. Then Janet Martin is a Mom that could take great pride in that alone. She had a ready laugh and loved her family. Her family has taken wonderful care of her during her last days as she awaited the call from the Lord calling her to come home. Our prayers and love to those children and grandchildren who took care to show their love to their Mom and Grandmother during this time of bereavement. Ron and Louise Perkins*
