“*Jan was such a loving woman to everyone that she knew. It seemed that she was always so happy entertaining family and friends. For years, I remember watching her leave the house looking her best to have lunch with the girls (from high school) or some other precious person in her life. I think my kids sat with "Nana" to visit more than I did sometimes. I'll never forget the year that I saw the Christmas village on the floor in the living room. She didn't have room for the furniture. The village was so entertaining. When we put our dog to sleep in 1999, she was the first to call us and check in. With our deepest sympathies to you, the family, we will not be able to make it on Monday. We look forward to catching up with you at a later date. In His Name, the family of Jeff Meinert, Andover, Minnesota.*
