

## Janet Sutton

September 25, 1934 - January 15, 2019

Sutton, Janet passed away Jan. 15 at 84, surrounded by family in San Francisco, after a long struggle with Alzheimer's. An Edina resident from 1974-2016, she was a loving, supportive and devoted wife, mother, aunt, grandmother, and friend. Born in Sault Saint Marie, MI, she lost her father at 11, then moved with sister Mary Jane and mother Elizabeth to Kalamazoo. After attending Western Michigan University (BA '56, MA '62), she became a grade school teacher, moved to MN, met the love of her life on a ski trip and was married to Harry Sutton (1927-2016) for 51 years. Together they relished travel, Hawaii, theater, golf & dining. Janet is survived and missed by sons Ward (Sue, Yineth and Octavio) and Mark (Josephine and Ibby), and extended family; many beloved friends from book, gourmet, bridge and birthday groups, St. Patrick's Church, Decathlon Club, Open Circle, and more. Janet had a colorful collection of aprons with festive imagery; she'd wear one each day and it became her signature. She loved a good mystery, but it was no mystery why we loved her: She looked for good in the world, and that was reflected in her indelible, sweet smile, which we will always remember. Public memorial service will be held at Washburn-McReavy of Edina on Saturday, May 18 at 11am. Washburn-McReavy.com Edina Chapel 952-920-3996 West 50th St. & Hwy 100
