“*Jan will always be remembered by us for the time she entertained us so beautifully at a Christmas family dinner with the whole Cole family. We came from California to -20 temperature in Minnesota but there was no lack of warmth, laughter, love and good food at that dinner. As part of the McLaughlin family we have been lucky to also be part of the Coles and have seen Jan and family on other visits to Minnesota. We send our deepest sympathy on the unexpected loss to all who have been lucky enough to know Jan in this world.*

“*I didn't know Janice but I do know Duane and Roger. So My prayers go out to the family in light that I lost my Mother in November. It's hard but we must remember that they are in a better place now with no suffering. She would want the family to go on in her memory and if you feel a tap on your shoulder it'll be her spirit. Her spirit will always be with you as your guardian angel. Again my prayers are with you.*
