“ I was so sorry to hear today that my former high school classmate Janice passed away. It seems like we should still be teenagers with no cares in the world except getting through our classes or winning a football game. Janice was a classmate that was friends with everyone - she had a great smile, and most of all - she was so kind. My deepest sympathy to her family.

“ I am so sorry to hear of Janice's passing. I so enjoyed working with her and have many fond memories. She visited our store one time and demoed with me. We laughed so hard we forgot what we were laughing about. Truly a lovely woman--inside and out. She will be missed.

It saddens my heart to know Janice is gone. She was a smart, kind, and fun woman! Even though we did not get to see each other very often, I am honored to have called her friend. Our loss is heaven's gain.

I so enjoyed my conversations with Janice over the past 20 years of living right across the street. She had such a "say it like it is" personality, which I loved about her. She made me laugh countless times. I so appreciated the wisdom and humor she shared with me about raising kids. She loved people and life dearly. I will truly miss her smiling face. Praying for the peace of Jesus for the Cox family and sending a big hug.

*Sending my love,
Gwen*
