“ One of my most distinct memories of Jan was dropping off Christmas gifts to “Dave’s Mommy” when I was a little girl - with my own Mom. My Mom made homemade bows for the gifts, and Jan asked me very sweetly if I made the bows by myself. I didn’t, but I nodded “yes”. I remember being so worried that she’d find out I didn’t make them myself! She was such a sweet and kind person. When I think about her, the image that comes to mind is her bright smile and the way she laughed. The sun on the island feels a little less bright without her in the world. I hope she is seated at the ultimate of card tables, dressed to whatever theme the card club’s going with on the other side, and having the time of her afterlife, reuniting with all those who’ve gone before her as she watches over the loves of her life: Don and Dave. My heart goes out to you both at this time💕💕
