“ *Jan was a good friend and co-worker. She was always quick to lend a hand or share a joke, or just plain listen when you needed a sounding board. My heart and prayers go out to her family.*

“ *We are so sad to hear of Jan's passing. I first met Jan when I began working at Hennepin County Work House as a correctional officer. Jan and Gerrit helped train me in at my new position. She was such a great asset to me. We became good friends, She was always so kind and had a great sense of humor. She will be missed on this earth.*

*My first recollection of Jan was during interviews for the CO job in the late 80's. Jan completed the interview leaving us with a big impression. Weeks later Supervisor Robinson asked if I thought she was a good candidate. I told him "Absolutely yes" and you know the end of that story. Jan has been a great co-worker and friend to many. She will be missed.*
