“ I am so sorry for your loss. I had the privilege of knowing Janis through ACA. She had a brilliant mind, a sharp sense of humor, and a good heart. She will be missed. My thoughts are with your family in this time of loss.

“ Janice is a woman I'll never forget! We really had some good times in high school! Even though the years went by without talking to her, we recently reconnected on FB. I could tell she was that strong hilarious friend I had in HS. My thoughts and prayers are with her family..”
