“ Jack and family I am so sorry to hear of Janis passing. I graduated from high school with Janis such a pretty, pleasant and wonderful gal she was. I called her a few weeks ago and we had a nice visit. I'm sure this was so unexpected.

My sister Barb Nelson were our cheerleaders in hi school. My Mother in law

Lived next door to Alex and Edith in Casselton. I have lost 3 classmates all girls in the last year and we had such a small class we all new each other so well. My prayers and sympathy to your family. Cherish her memories.

“ We were so very sad to hear the news but Jan will live on in our hearts, and so many others. Our love and thoughts are with you Jack, and with all the family. It is a blessing she was nearer to family these last years, especially so the little ones could know her better and make memories together. Jan's first love was her family 💕. God Bless...Joe and Suzanne

“ Our sympathy to Jack and his family. We loved having Jan and Jack as neighbors in Asheville. One favorite story is when they spent 6 months in Monenegro. We were happy to watch over their house and car, but were nervous when Jan asked us to take care of her grandmother's 80 year old Christmas Cactus. I had Jan leave me a calendar and a glass with a specific mark on it so I would know exactly when and how to water the plant. I'm happy to say that the plant survived!! Martha & Jim Worley
