“ I have such fond memories of the entire Olson family smiling and waving from across the street, which seemingly happened daily throughout my entire childhood.

I always knew there was something different and special about your family, and I realized as I got older that it was that you were the first devoted Christian family that I ever knew, and your faith certainly caused you to shine brightly.

Additionally, Jan was my 4th grade reading teacher.

I am so glad I had a chance to reconnect with you guys a few Christmases ago.

Praying for all of you now.

“ Sending our thoughts and prayers from here in Houston where we now live to Roger, Kari, Steve, Shelley and family. You were treasured neighbors. Jan's smile lit up the neighborhood. She was always welcoming, kind, and generous. Her Christmas cookies were unbeatable. Our deepest condolences. May Jan's memory be a blessing. May her legacy comfort you in your grief. Jan was always such a warm and welcoming person to me. Always up for a nice chat about anything which would usually also involve a chuckle or two. Such a sweet soul. She will be missed by many.
