“ Thanks for sharing some good movies with me when we were kids. And having fun on the 4th of July lighting off fireworks. And riding dirt bikes. You was always fun to be around. I will always remember you and forever

On Eagles wings you soar through the pearly gates. We hear you whisper as you soar towards the sky, watch over my children, guide them in the path of righteousness.

“ At one point I considered you my Bestie. I will always remember our many talks. I will love you now and forever! Why did you have to leave us so soon? You will never be forgotten!

*Jason you are missed by so many. I don't know that you knew how many friends you have. You were a stand-up guy and much appreciated. It was a privilege to be your occasional driver.*
